

## Name Rene Caisse Tea

Tea

| Code | Size | Duration                 |
|------|------|--------------------------|
| T19  | 90g  | Usually lasts 10-20 days |

### Area concerned

Detox, immune system and digestive system.

### Ingredients

Approx per 90g: 56g Sheep's Sorrel, 21g Burdock Root, 14g Slippery Elm Bark, 3.5g Turkey Rhubarb Root

### Description

Originally a mixture used by Ojibwa Indians, and introduced to Rene Caisse, a medical nurse, in 1922. This calming and cleansing herbal combination provides valuable support for the immune system, the digestive system and blood circulation.

### Standard use

Soak 30g in a litre of filtered or bottled water overnight. Heat up and simmer very gently for 15 minutes. Leave to cool. Add 2-3 tablespoons of honey to assist keeping properties. Strain and bottle. Keep in fridge for up to 4 days. Drink a small wineglassful 2-3 times daily on an empty stomach.

### How long to take it

Take for a course of 3-4 months, or as and when desired.

### Cautions

Do not take if pregnant or nursing. Do not use more than the standard amount alongside heart drugs, steroids or diuretics.

### Companion Products
